KEY .NET / LIVE PROJECTS

Scan-to-Invoice & Purchase Import Automation (Ongoing)
Adding an invoice automation feature to a PMS application: users can scan or upload an invoice PDF/image and receive mapped structured data (JSON-style field mapping) for required fields. In Purchase Import, the selected invoice file can be processed and mapped directly into a Purchase Entry workflow.
Tech: .NET 10, ASP.NET MVC, REST APIs, HTML, CSS, JavaScript / jQuery, database integration

Sudha Bikri Kendra - Government Application Portal
Recent .NET Core MVC web project for a government-application / portal-style workflow, covering form-driven screens, backend processing and database-connected business logic.
Tech: .NET Core MVC, C#, SQL Server, HTML, CSS, JavaScript, jQuery
[sudhabikrikendra.in](#)

ERP Web Application (Online PMS)
Web-based PMS/ERP supporting billing, inventory, GST, reports and complete business workflows.
Tech: ASP.NET, VB, ASPX, MSSQL, HTML, CSS, JavaScript, jQuery
[pmswebdn.dynode.in](#)

B2B Order & E-Commerce System
B2B ordering platform connected with offline PMS; online orders sync to PMS for billing, reporting and balance-sheet workflows.
Tech: .NET / .NET Core MVC, C#, SQL Server, HTML, CSS, JavaScript, jQuery
[orderapp1.dynode.in](#)

B2C E-Commerce Platform
Customer-facing e-commerce platform linked with PMS backend for online ordering, product sync and billing integration.
Tech: .NET / .NET Core MVC, C#, SQL Server, HTML, CSS, JavaScript, jQuery
[ecom.dynode.in](#)

E-Commerce Logistics Management System
Central logistics platform for order tracking, delivery workflows and logistics management for B2B and B2C orders.
Tech: .NET / .NET Core MVC, C#, SQL Server, HTML, CSS, JavaScript, jQuery
[ecom.dynode.in/Admin](#)

Trust Management System
Admin system for member management, card printing, reporting and record handling.
Tech: .NET / .NET Core MVC, C#, SQL Server, HTML, CSS, JavaScript, jQuery
[admin.abhinandantrust.org](#)

PMS / ERP - Desktop Application (Offline)
Windows-based business management system similar to Tally, covering billing, invoice printing, inventory, GST, taxes, reports and ERP workflows.
Tech: .NET, VB, Access Database

College Projects: Java projects were academic/clone work and are intentionally excluded to keep this resume focused on recent professional .NET experience.
